(f) Hire private counsel to represent the commission in hearings held in accordance with the Idaho administrative procedure act and the rules promulgated pursuant to subsection (1) (a) (v) of this section.

19-852. RIGHT TO COUNSEL OF INDIGENT PERSON -- REPRESENTATION AT ALL STAGES OF CRIMINAL AND COMMITMENT PROCEEDINGS -- PAYMENT. (1) An indigent person who is being detained by a law enforcement officer, who is confined or is the subject of hospitalization proceedings pursuant to section [18-212](#), [66-322](#), [66-326](#), [66-329](#), [66-404](#) or [66-406](#), Idaho Code, or who is under formal charge of having committed, or is being detained under a conviction of, a serious crime, is entitled:

(a) To be represented by an attorney to the same extent as a person having his own counsel is so entitled; and

(b) To be provided with the necessary services and facilities of representation including investigation and other preparation. The attorney, services and facilities and the court costs shall be provided at public expense to the extent that the person is, at the time the court

determines indigency pursuant to section [19-854](#), Idaho Code, unable to provide for their payment.

(2) An indigent person who is entitled to be represented by an attorney under subsection (1) of this section is entitled:

(a) To be counseled and defended at all stages of the matter beginning with the earliest time when a person providing his own counsel would be entitled to be represented by an attorney and including revocation of probation;

(b) To be represented in any appeal;

(c) To be represented in any other post-conviction or post-commitment proceeding that the attorney or the indigent person considers appropriate, unless the court in which the proceeding is brought determines that it is not a proceeding that a reasonable person with adequate means would be willing to bring at his own expense and is therefore a frivolous proceeding.

(3) An indigent person's right to a benefit under subsection (1) or (2) of this section is unaffected by his having provided a similar benefit at his own expense, or by his having waived it, at an earlier stage.

19-853. DUTY TO NOTIFY ACCUSED OR DETAINED OF RIGHT TO COUNSEL. (1) If a person who is being detained by a law enforcement officer, or who is confined or who is the subject of hospitalization proceedings pursuant to section [66-322](#), [66-326](#), [66-329](#), [66-404](#) or [66-406](#), Idaho Code, or who is under formal charge of having committed, or is being detained under a conviction of, a serious crime, is not represented by an attorney under conditions in which a person having his own counsel would be entitled to be so represented, the law enforcement officers concerned, upon commencement of detention, or the court, upon formal charge or hearing, as the case may be, shall:

(a) Clearly inform him of his right to counsel and of the right of an indigent person to be represented by an attorney at public expense; and

(b) If the person detained or charged does not have an attorney, notify the indigent defense provider or trial court concerned, as the case may be, that he is not so represented. As used in this subsection, the term "commencement of detention" includes the taking into custody of a probationer.

(2) Upon commencement of any later judicial proceeding relating to the same matter including, but not limited to, preliminary hearing, arraignment, trial, any post-conviction proceeding or post-commitment proceeding, the presiding officer shall clearly inform the person so detained or charged of his right to counsel and of the right of an indigent person to be represented by an attorney at public expense. Provided, the appointment of an attorney at public expense in uniform post-conviction procedure act proceedings shall be in accordance with section [19-4904](#), Idaho Code.

(3) If a court determines that the person is entitled to be represented by an attorney at public expense, it shall promptly notify the indigent defense provider.

(4) Upon notification by the court, the indigent defense provider shall represent the person with respect to whom the notification is made.

19-854. DETERMINATION OF INDIGENCY -- FACTORS CONSIDERED -- PARTIAL PAYMENT BY ACCUSED -- REIMBURSEMENT. (1) The determination of whether a person covered under section [19-852](#), Idaho Code, is an indigent person shall be deferred until his first appearance in court or in a suit for payment or reimbursement under section [19-858](#), Idaho Code, whichever occurs earlier. Thereafter, the court concerned shall determine, with respect to each proceeding, whether he is an indigent person.

(2) The court concerned shall presume that the following persons are indigent persons unless such a determination is contrary to the interests of justice:

(a) Persons whose current monthly income does not exceed one hundred eighty-seven percent (187%) of the federal poverty guidelines issued annually by the federal department of health and human services;

(b) Persons who receive, or whose dependents receive, public assistance pursuant to [title 56](#), Idaho Code, in the form of food assistance, health coverage, cash assistance or child care assistance; or

(c) Persons who are currently serving a sentence in a correctional facility or are being housed in a mental health facility.

(3) The court concerned may determine that persons other than those described in subsection (2) of this section are indigent persons. In determining whether a person is an indigent person and in determining the extent of his inability to pay, the court concerned may consider such factors as income, property owned, outstanding obligations, the number and ages of his dependents and the cost of bail. Participation in the Idaho health insurance exchange shall not result in the presumption of indigency.

(4) Release on bail does not necessarily prevent a person from being an indigent person.

(5) In each case, the person shall, subject to the penalties for perjury, certify in writing or by other record such material factors relating to his ability to pay as the court prescribes by rule. No information provided by a person pursuant to this subsection may be used as substantive evidence in any criminal or civil proceeding against the person except:

(a) For impeachment purposes;

(b) In a prosecution for perjury or contempt committed in providing the information; or

(c) In an attempt to enforce an obligation to reimburse the state for the cost of counsel.

(6) To the extent that a person covered under section [19-852](#), Idaho Code, is able to provide for an attorney, the other necessary services and facilities of representation, and court costs, the court may order him to provide for their payment.

(7) Upon conviction, notwithstanding the form of judgment or withheld judgment, plea of guilty or finding of guilt for any crime regardless of the original crime or number of counts, an indigent person who receives the services of an attorney provided by the county may be required by the court to reimburse the county for all or a portion of the cost of those services re-

lated to the conviction, plea of guilty or finding of guilt, unless the requirement would impose a manifest hardship on the indigent person. The current inability of the indigent person to pay the reimbursement shall not, in and of itself, restrict the court from ordering reimbursement.

19-855. QUALIFICATIONS OF COUNSEL. No person may be given the primary responsibility of representing an indigent person unless he is licensed to practice law in this state and is otherwise competent to counsel and defend a person charged with a crime.

19-857. WAIVER OF COUNSEL -- CONSIDERATION BY COURT. A person who has been appropriately informed of his right to counsel may waive any right provided by this act, if the court concerned, at the time of or after waiver, finds of record that he has acted with full awareness of his rights and of the consequences of a waiver and if the waiver is otherwise according to law. The court shall consider such factors as the person's age, education and familiarity with the English language and the complexity of the crime involved.

[19-857, added 1967, ch. 181, sec. 7, p. 599; am. 2013, ch. 220, sec. 7, p. 518.]

19-858. REIMBURSEMENT TO COUNTY -- WHEN AUTHORIZED. (1) The prosecuting attorney of each county may, on behalf of the county, recover payment or reimbursement, as the case may be, from each person who has received legal assistance or another benefit under this act:

- (a) To which he was not entitled;
- (b) With respect to which he was not an indigent person when he received it; or
- (c) With respect to which he has failed to make the certification required under section [19-854](#), Idaho Code, and for which he refuses to pay or reimburse. Suit must be brought within five (5) years after the date on which the aid was received.

(2) The prosecuting attorney of each county may, on behalf of the county, recover payment or reimbursement, as the case may be, from each person other than a person covered under subsection (1) of this section who has received legal assistance under this act and who, on the date on which suit is brought, is financially able to pay or reimburse the county for it without manifest hardship according to the standards of ability to pay applicable under sections [19-851](#), [19-852](#) and [19-854](#), Idaho Code, but refuses to do so. Suit must be brought within three (3) years after the date on which the benefit was received.

(3) Amounts recovered under this section shall be paid into the county general fund.

[19-858, added 1967, ch. 181, sec. 8, p. 599; am. 2013, ch. 220, sec. 8, p. 518.]

19-859. PUBLIC DEFENDER AUTHORIZED -- JOINT COUNTY PUBLIC DEFENDERS. The board of county commissioners of each county shall provide for the representation of indigent persons and other individuals who are entitled to be represented by an attorney at public expense. The board of county commissioners of each county shall provide this representation by one (1) of the following:

- (1) Establishing and maintaining an office of public defender;
- (2) Joining with the board of county commissioners of one (1) or more other counties within the same judicial district to establish and maintain a joint office of public defender pursuant to an agreement authorized under section [67-2328](#), Idaho Code;
- (3) Contracting with an existing office of public defender; or
- (4) Contracting with a defending attorney, provided that the terms of the contract shall not include any pricing structure that charges or pays a single fixed fee for the services and expenses of the attorney. The contract provisions of this subsection shall apply to all contracts entered into or renewed on or after the effective date of this act.

[19-859, added 1967, ch. 181, sec. 9, p. 599; am. 2013, ch. 220, sec. 9, p. 519; am. 2014, ch. 247, sec. 5, p. 619.]

19-860. PUBLIC DEFENDER -- COMPENSATION -- APPOINTMENT -- QUALIFICATIONS. If the board of county commissioners of a county elects to establish and maintain an office of public defender and/or juvenile public defender or a joint office of public defender, the board shall:

- (1) Prescribe the qualifications of such public defender and his rate of annual compensation, and, if so desired by the board, a rate of compensation for extraordinary services not recurring on a regular basis. So far as is possible, the compensation paid to such public defender shall not be less than the compensation paid to the county prosecutor for that portion of his practice devoted to criminal law.
- (2) Provide for the establishment, maintenance and support of his office. The board of county commissioners shall appoint a public defender and/or juvenile public defender from a panel of not more than five (5) and not fewer than three (3) persons, if that many are available, designated by a committee of lawyers appointed by the administrative judge of the judicial district encompassing the county or his designee. To be a candidate, a person must be licensed to practice law in this state and must be competent to counsel and defend a person charged with a crime.

19-861. PUBLIC DEFENDER'S OFFICE -- EMPLOYEES -- COMPENSATION -- FACILITIES. (1) If an office of public defender or a joint office of public defender has been established, the public defender may employ, in the manner and at the compensation prescribed by the board of county commissioners, as many assistant public defenders, clerks, investigators, stenographers, and other persons as the board considers necessary for carrying out his responsibilities under this act. A person employed under this section serves at the pleasure of the public defender.

(2) If an office of public defender or a joint office of public defender has been established, the board of county commissioners shall:

(a) Provide appropriate facilities including office space, furniture, equipment, books, postage, supplies and interviewing facilities in the jail, necessary for carrying out the public defender's responsibilities under this act; or

(b) Grant the public defender an allowance in place of those facilities.

(3) A defending attorney is entitled to use the same state facilities for the evaluation of evidence as are available to the county prosecutor. If he considers their use impractical, the court concerned may authorize the use of private facilities to be paid for on court order by the county board of commissioners.

[19-861, added 1967, ch. 181, sec. 11, p. 599; am. 2014, ch. 247, sec. 7, p. 620.]

19-862. APPROPRIATION FOR PUBLIC DEFENDER -- PRIVATE CONTRIBUTIONS. (1) The board of county commissioners of each county shall annually appropriate enough money to fund the indigent defense provider that it has selected under section [19-859](#), Idaho Code, and, except as provided in subsection (2) of this section, shall maintain not less than its local share. The board of county commissioners of each county may appropriate such money from the justice fund as provided in section [31-4602](#), Idaho Code, the current expense fund as provided in section [63-805](#), Idaho Code, and as a means of providing nonmedical indigent assistance in accordance with [chapter 34, title 31](#), Idaho Code.

(2) The board of county commissioners is not required to expend its full local share if it can comply with indigent defense standards for less than that share.

(3) If the board of county commissioners of a county elects to establish and maintain an office of public defender or a joint office of public defender, the county may accept private contributions toward the support of the office.

19-862A. COMPLIANCE -- INDIGENT DEFENSE FINANCIAL ASSISTANCE. (1) All counties, indigent defense providers and defending attorneys shall cooperate and participate with the commission in the review of their indigent defense services.

(2) By May 15 of each year, each county may submit to the commission a compliance proposal, which shall be an essential requirement in order to be considered for state indigent defense financial assistance. The compliance proposal shall include a plan that specifically addresses how indigent defense standards shall be met and, if applicable under subsection (1)(a) of this section, how any deficiencies previously identified by the commission will be cured in the upcoming county fiscal year. The proposal shall also include a cost analysis that shall specifically identify the amount of funding in excess of the applicable local share, if any, necessary to allow the county to successfully execute its plan. In the event the commission determines that the county can successfully execute its plan without exhausting

the entirety of the financial assistance for which it may be eligible, a proposal submitted pursuant to this section may request funding to be used for other improvements to its delivery of indigent defense services. Such other improvements may include, but are not limited to, funding for investigation costs, witness expenses and other extraordinary litigation costs.

(3) The amount of state indigent defense financial assistance shall not exceed fifteen percent (15%) of the county's local share for said county fiscal year or twenty-five thousand dollars (\$25,000), whichever is greater. If a county elects to join with the board of county commissioners of one (1) or more other counties within the same judicial district to establish and maintain a joint office of public defender pursuant to section [19-859](#)(2), Idaho Code, each participating county shall be eligible for an additional twenty-five thousand dollars (\$25,000) per year. The maximum amount of state indigent defense financial assistance shall remain in effect until July 1, 2019, unless otherwise addressed by the legislature prior to that date.

(4) The commission shall accept a compliance proposal submitted under subsection (2) of this section, in an amount deemed appropriate by the commission, if the proposal:

- (a) Includes a plan that is necessary to meet or improve upon indigent defense standards; and
- (b) Demonstrates that the amount of the requested state indigent defense financial assistance is necessary to meet or improve upon indigent defense standards.

(5) The commission shall accept or reject a compliance proposal submitted under subsection (2) of this section within sixty (60) days of the submission of the compliance proposal. If the commission rejects the proposal, the county shall consult with the commission and submit a revised proposal within thirty (30) days of the mailing date of the official notification of the commission's rejection. If after two (2) revisions a resolution is not reached, any dispute shall be resolved in accordance with the Idaho administrative procedure act and rules promulgated by the commission pursuant to section [19-850](#)(1)(a)(v), Idaho Code.

(6) On October 1, 2016, or as soon thereafter as is practicable, and on October 1 of each year thereafter, or as soon thereafter as is practicable, the commission shall distribute the approved state indigent defense financial assistance to a county if:

- (a) The most recent annual report required by section [19-864](#), Idaho Code, has been filed, to the satisfaction of the commission;
- (b) The county has filed, to the satisfaction of the commission, its most recent proposal for state indigent defense financial assistance required by subsection (2) of this section; and
- (c) The county has cured, to the satisfaction of the commission, any material breach of the terms of previously approved state indigent defense financial assistance.

(7) On or before September 1, 2016, and by September 1 of each year thereafter, the commission shall submit a report with its annual budget request to the office of the administrator of the division of financial management and the legislative services office requesting the appropriation of funds necessary to provide state indigent defense financial assistance to counties as approved by the commission. The information used to create this report shall be made available to the administrator of the division of financial management and the legislative services office.

(8) A county may be required to provide indigent defense funds in excess of its local share in the event the cost of successfully executing its plan submitted pursuant to subsection (2) of this section exceeds the sum of its local share and the maximum state indigent defense financial assistance for which it may be eligible in a given county fiscal year.

(9) By March 31 of each year, all counties shall be in compliance with indigent defense standards that were in full force and effect as of May 1 of the prior year.

(10) Each proposal submitted pursuant to subsection (2) of this section after March 31, 2017, shall contain an attestation stating whether the county has complied with indigent defense standards as required by subsection (9) of this section and, if not, a specific explanation for its failure to do so.

(11) In the event the commission determines that any county has failed to materially comply with indigent defense standards, the commission shall:

(a) Require the county's upcoming state indigent defense compliance proposal to specifically address how the noncompliance will be cured in the upcoming county fiscal year as provided in subsection (2) of this section; or

(b) If any county has willfully and materially failed to comply with indigent defense standards, notify the county in writing of its determination and intent to remedy specific deficiencies at the expense of the county to the extent necessary to comply with indigent defense standards. Within thirty (30) days of the date of said notice, the commission and the county or their designees shall attempt to meet at least once to resolve the issues of the noncompliance. If the commission and the county are unable to resolve the matter through this meeting process, the commission and county shall mutually set a date for mediation within forty-five (45) days, with the cost of mediation to be paid equally by the parties. If after mediation the commission and the county are unable to come to a resolution, the commission shall provide written notice to the county of its decision to remedy specific deficiencies at the expense of the county to the extent necessary to comply with indigent defense standards. This decision is subject to administrative review as provided in subsection (13) of this section. If the county does not timely request administrative review or if the administrative review process affirms the commission's determination, the commission shall remedy specific deficiencies at the expense of the county to the extent necessary to comply with indigent defense standards.

(12) If the commission acts to remedy specific deficiencies as provided in subsection (11)(b) of this section, the county shall pay to the commission, notwithstanding the county's applicable local share, the amount incurred by the commission in remedying specific deficiencies as billed by the commission on a semiannual basis coinciding with the county fiscal year. Such amount shall be paid to the commission within sixty (60) days of the date of the billing. If the county fails to provide the commission with the funds billed pursuant to this subsection within sixty (60) days of the date of the commission's billing, the state treasurer shall immediately intercept any payments from sales tax moneys that would be distributed to the county pursuant to section [63-3638](#), Idaho Code, and apply the intercepted payments to reimburse the commission for the costs incurred in remedying specific deficiencies as billed pursuant to this subsection. The foregoing intercept

and transfer provisions shall operate by force of law and no consent thereto is required of the county in order to be enforceable. The commission and the state have no obligation to the county or to any person or entity to replace any moneys intercepted under the authority of this subsection.

(13) A county aggrieved by a decision made by the commission pursuant to subsection (11) (b) of this section shall be afforded reasonable notice and opportunity for a fair hearing in accordance with the Idaho administrative procedure act and rules promulgated by the commission pursuant to section [19-850](#) (1) (a) (v), Idaho Code.

(14) If the commission's actions to remedy specific deficiencies, pursuant to subsection (11) (b) of this section, involve providing indigent defense services on behalf of a county, the county may submit a compliance proposal for state indigent defense financial assistance in accordance with subsection (2) of this section and request to resume providing indigent defense services. The commission may accept the proposal and permit the county to resume providing indigent defense services in the event the county has demonstrated that it has cured or will cure any material noncompliance with indigent defense standards to the satisfaction of the commission.

(15) Failure to comply with the standards promulgated pursuant to section [19-850](#) (1) (a), Idaho Code, or the terms of state indigent defense financial assistance does not constitute ineffective assistance of counsel under the constitutions of the United States or the state of Idaho.

19-863. DEFENSE EXPENSES -- ALLOCATION IN JOINTLY ESTABLISHED OFFICES. (1) Subject to section [19-861](#), Idaho Code, any direct expense, including the cost of a transcript that is necessarily incurred in representing an indigent person under this act, is a county charge against the county on behalf of which the service is performed.

(2) If two (2) or more counties jointly establish an office of public defender, the expenses not otherwise allocable among the participating counties under subsection (1) of this section shall be allocated, unless the counties otherwise agree, on the basis of population according to the most recent decennial census.

19-863A. CAPITAL CRIMES DEFENSE FUND AUTHORIZED. (1) The establishment of a capital crimes defense fund by the counties of the state for purposes of funding the costs of criminal defense in cases where the penalty of death is a legal possibility is hereby authorized. The fund shall be organized and operated in accordance with a joint powers agreement, as authorized by [chapter 23, title 67](#), Idaho Code, executed by the participating counties. Membership in the fund shall be voluntary, as determined by resolution of the board of county commissioners of the respective counties of the state.

(2) The fund may be comprised of contributions from participating counties and any court fees or other funds designated or appropriated for deposit in the fund by the legislature.

(3) The fund shall be operated and administered by a board of representatives to be selected as provided in the joint powers agreement. If moneys are appropriated to the fund by the legislature, the governor shall appoint

a representative of the executive branch of state government to serve as a voting member of the governing board, and if court fees are designated for deposit in the fund, the Idaho supreme court shall appoint a representative of the judicial branch of state government to serve as a voting member of the board.

(4) The governing board of the fund shall have full authority to employ personnel and contract for personal and professional services as necessary and may take all other steps necessary or proper to determine the manner in which the fund shall be utilized to assist participating counties in meeting defense costs associated with representation of indigent defendants charged with crimes for which the penalty of death is a legal possibility.

(5) The services of the state appellate public defender as provided in section [19-870](#), Idaho Code, shall be available only to those counties participating in the fund.

19-864. RECORDS OF DEFENDING ATTORNEYS -- ANNUAL REPORT OF DEFENDING ATTORNEYS. (1) Indigent defense providers and defending attorneys shall keep appropriate records respecting each person whom they represent under this act.

(2) On or before November 1 of each year, indigent defense providers and any defending attorney whose information is not otherwise included in a report from an indigent defense provider shall submit an annual report to the board of county commissioners, the appropriate administrative district judge and the commission in conformance with the rules promulgated pursuant to section [19-850](#) (1) (a) (ii), Idaho Code.

19-865. APPLICATION OF ACT -- STATE COURTS -- FEDERAL COURTS. This act applies only to representation in the courts of this state, except that it does not prohibit a defending attorney from representing an indigent person in a federal court of the United States, if:

(1) The matter arises out of or is related to an action pending or recently pending in a court of criminal jurisdiction of the state; or

(2) Representation is under a plan of the United States district court as required by the criminal justice act of 1964, 18 U.S.C. 3006A, and is approved by the board of county commissioners.

19-866. PROVISIONS NOT EXCLUSIVE. The protections provided by this act do not exclude any protection or sanction that the law otherwise provides.

[19-866, added 1967, ch. 181, sec. 17, p. 599.]

19-867. SHORT TITLE. Sections [19-867](#) through [19-872](#), Idaho Code, shall be known as the "State Appellate Public Defender Act."

[19-867, added 1998, ch. 389, sec. 2, p. 1191.]

19-868. STATEMENT OF LEGISLATIVE INTENT. The legislature recognizes that the cost of legal representation of indigent defendants upon the appeal of their criminal convictions, particularly convictions for first-degree murder, is an extraordinary burden on the counties of this state. In order to reduce this burden, provide competent counsel but avoid paying high hourly rates to independent counsel to represent indigent defendants in appellate proceedings, the legislature hereby creates the office of the state appellate public defender.

[19-868, added 1998, ch. 389, sec. 3, p. 1191.]
